Tres Islas Orphanage Fund Donors

Thank you for your loyal support – now in your 22nd year of taking care of the children in our orphanage. We are grateful for your continued support of our children and for all that you have done for us, once again this year, including:

- ❖ \$75.00 U.S. dollars worth of groceries that your donations provide our children each week throughout the year. Thank you for providing them fresh and nourishing food each week
- ❖ For purchasing our children's school supplies, school shoes, school uniforms, school backpacks and school books. You are helping each of them in their school studies by making sure they have the proper school needs
- ❖ Your inclusion to purchase our girls their Christmas dinner and Christmas tree – a first, for some of them!
- ❖ Painting exterior wall and window guard trim of our orphanage after you paid to first repair it during the Tres Islas annual Spring Mission Week
- ❖ Creating a receiving room for us, then stocking it with school supplies, hygiene and medical supplies. This is an on-going help each and every day to have these necessary items on hand when the girls need them. To have them stored in the clear, plastic bins labeled in English and Spanish makes it easy to locate the items needed and helps us keep them organized
- ❖ The donors' annual beach barbecue party for our girls and all the children in the orphanages during the Spring Mission Trip. This is a once a year event for the children from each of the five orphanages to get together with one another and the donors and relax and play together for an entire afternoon at the beach!

We ask for your continued support of the Tres Islas Orphanage Fund because your donations make a positive difference each and every day, in many ways – nourishing, food, a good education, a safe and comfortable home and a life with dignity that each child deserves, and is receiving, thanks to each of you!

There are just few things we can give back to your generosity, and one is to pray for a life full of blessings for you and your loved. The girls, the people who work with us and the board, will have you as long as we belong to Floreser, in our prays and thoughts.

Sincerely your friends
