

## Orfanatorio de Mazatlán IAP

TRES ISLAS ORPHANAGE FUND DONORS  
3717 MONROE AVENUE  
CHEYENNE, WYOMING U.S.A. 82001

Atte: Tres Islas Orphanage Fund Donors:

With this letter, the board of directors and children of Orfanatorio Mazatlan, I.A.P thank you for all the continued help you have provided us for another year - in all, 20 years, total!

Your continued support and generosity make the children's lives better each day. The children and we, the board of directors, are grateful for your continued help and to know we can count on you. Of all the people who have helped the children at Orfanatorio Mazatlan over the 86 years since the orphanage began, each and all of you - the Tres Islas donors -have helped the most, longest and most faithfully and we thank you.

This past year, from October 2006 forward, your donations purchased:

1. Nourishing food every week for the children in the amount of \$130.00 U.S. dollars. Beginning in June, you kindly increased the food purchases to \$150.00 U.S. dollars each week - which we hope you will please be able to continue to do so in the coming years.
2. For the school year 2007-2008, school supplies, school shoes, school uniforms and backpacks to carry their books and school supplies in.
3. English classes for three of our girls at Teacher Gabino's English School which is preparing them for better opportunities in life because they are learning to speak English.
4. Christmas dinner, 2006, for \$250.00 U.S. dollars and the accompanying tee-shirt dying and pizza party for the children during Christmas week from the wonderful donors who were able to come to Mazatlan to share time with us.
5. Tamale and chili rellenos dinner and mariachi party at the close of the annual Tres Islas donors work week at the orphanages. Thank you to the 24 donors who came in April!
6. Pizza and cake party to celebrate the beginning of the 2007-2008 school year for the children.

We ask all of you to please continue your great help of our children through the Tres Islas Orphanage Fund. Without you and your help, the children would not have the nourishing food they now due every week thanks to you, as well as their school supplies, shoes, uniforms and backpacks you provide each new school year.

We invite you back for next spring's work week (oh how our open-aired courtyard needs painting again and we have doors that need replaced!), to be with the children at Christmas or anytime you may visit us.

On behalf of all the ladies who serve on our board of directors and all the children, please be assured, we thank you sincerely for your continued help.

In the name of our children, we pray to God to bless you all.

Sincerely,

  
Ma. Cristina Peña de Herrera  
President of the Board
